

INFRASTRUCTURE

OPTIMIZE YOUR PHYSICAL & FINANCIAL CONNECTION TO YOUR ENERGY SUPPLY

INFRASTRUCTURE DECISIONS ARE CRITICAL

Let us guide you through all of your infrastructure planning, negotiation, installation, modification, and commissioning needs.

We help customers understand how to optimize physical and financial connection to power and natural gas. From lighting retrofits to negotiating new or expanded utility interconnections, Legend navigates and simplifies this complex space for our clients.

EXPAND YOUR ENERGY EFFICIENCY POSSIBILITIES

Infrastructure determines possible operational and market opportunities. We help customers understand how to optimize infrastructure's physical and financial aspects and find and develop markets for customers who produce excess energy.
